**EXCEPTION: PARENT STATEMENT *(for new students only)***

*Please note: If your child is **newly enrolled with Spanish Schoolhouse**, a parent's signature may fulfill this requirement. A parent signature is valid only for the first 12 months from the date your child starts our program. If your child continues with SSH beyond that date, Texas State childcare law requires that a health care professional's signature must be on file.*

My child has been examined within the past year by a health care professional and is able to participate in the school program. I understand that this statement is valid for 12 months and if my child is enrolled beyond that date, a healthcare professional's signature will be required.
